

Firmer and luminous skin

ILLuminant-Lift Line

[with Scented Jasmine Rice bio-Proteins
and Alpin-Luminous Complex]

MATURE SKIN CARE:

- Reveal the key to ageless skin with bleu&marine's revolutionary phyto-lift skincare collection formulated with deep-sea water from Brittany-France, 7 organic Alpine flowers and asian phyto-ingredients that bring about highly efficient anti-aging effects for beautiful and youthful looking skin.

The highest compliment a Japanese women can ever be paid is to be called a nuka bijin, which literally means a Rice bran beauty. Used for many centuries - Rice bran or nuka is an age old secret of the East for maintaining beautiful skin. It is used in many ways to cleanse, exfoliate, revitalize, prevent wrinkles, make the skin smooth and blemish free.

ILLUMINATE, UNIFYING AND PERFECTING SKIN

Cleanser

This surprising crystal - clear jelly metamorphoses into a cleansing milk in contact of skin to catch out impurities.

Deeply cleanses skin and brings up a glowing complexion, while respecting the skin's natural balance. Skin becomes clear, matte, healthy-looking and free of impurities.

Way to Use - apply with fingertips on the previously moistened face and neck. Emulsify by nimble circular movements. Rinse off.

Scrub

Thanks to its light texture rich in Rice powder, this scrub is a delight for face to smooth away any dullness of the skin by a natural exfoliation. This creamy scrub firms the skin and reduces wrinkles while balancing skin complexion. Results are immediate: skin looks and feels significantly smoother and more radiant, pores are less noticeable, perfectly ready to receive further cares.

Way to Use Apply on wet skin and massage. Remove exfoliator with warm water and tone skin with cotton pads saturated in Rice Water.

Massage

This amazing nacreous texture massage honey is the most innovative massage product available today. Its honey-like texture surprisingly turns into a fine and slippery oil then into an easy to rinse milk when Rice Water is sprayed on it.

Way to Use
Apply on dry skin and proceed to massage. At the end of the treatment, add Jasmine Scented Rice Luminous Water, to transform the honey into a lacteous nourishing emulsion. Rinse off.

Mask

Easy to use, this light creamy mask wrap the skin with coolness and softness to reveal a luminous and even complexion. Skin looks and feels healthier, smooth and hydrated and this mask ensures it a velvety matte aspect for a long time. Jasmine Scented Rice Lightening Mask is designed for dry skin, irritated, ill-nourished, requiring intensive rehabilitation and regeneration.

Way to Use
Apply a thick layer over the whole face and let it act for 10 to 15 minutes. Then, take off the excess.

Serum

The Serum is an Elixir of Youth. Its fresh an crystal - clear texture melts instantly, releasing its precious anti-aging ingredients. It is activating vital functions of your skin and thanks to firming and anti-oxidizing agents (Vit. E, Hyaluronic Acid) it boosts the action of Illuminant-Lift skin care.

Is highly concentrated in «Luminous Alpine» complex to help lighten facial skin discolouration (areas of hyperpigmentation, freckles and spots).

Cream

Fine and light, Jasmine Scented Rice Cream is ideal as a daily care to illuminate and mattify the skin complexion. Rich in Rice bran oil and naturally nourishing, this cream helps to prepare and to protect dry and sensitive skins.

Way to Use
Apply the bleu&marine fine and luscious cream to create an invisible and airy veil that seals the water into skin, thus bringing immediate softness and comfort to face. Day after day, protects from ageing signs.
