Your essential professional products for Exigent Skin

CLEANSE

Marigold Soothing Cleansing Milk

This is a very creamy milk cleanser that combines the moisturizing and soothing actions of extracts of calendula, the tightening, refreshing, anti-reddening actions of the extract of witch hazel, the emollient, protective and purifying actions of the extract of Chamomile.

How to use it?

Apply with a damp cotton pad. Wipe downward on closed eyelids. Rinse off. May be used over entire face to remove makeup.

REBALANCE

Lemon Lightening & Anti reddening Solution (toner)

The action played by the solution can be ascribed largely to the lightening and anti-reddening effects of lemon and Achillea essential oils that act by promoting a reduction of skin pigmentation, in synergy with a soothing and emollient effect from green lemon and oily plant extracts.

How to use it?

Apply with a damp cotton pad. Wipe downward on closed eyelids.

EXFOLIATE

Gommage Perfection Caviar, Corindon & Perles

It provides gentle cleansing to reveal beautiful and radiant skin. Enhanced with the perfect combination of Pearl and Champagne extract. Small particles of diamond like Corindon and Pearl gently cleanse the skin.

The exfoliation revives dull skin and helps skin retain moisture leaving it feeling smooth.

How to use it?

Apply to moist skin and gently massage.

MOISTURIZE

Absolute Care Caviar Honey

This innovate massage honey has a tantalising gold shimmering texture especially designed for relaxing & nourishing face massage.

The texture glides smoothly and transforms into three different textures – from a thick honey-like it turns into a smooth oily gel and then to a milky emulsion for a unique moisturizing ritual.

How to use it? Apply on dry skin and proceed to massage. At the end of the massage add some water to transform it into lacteous milk which will penetrate and nourish skin. Pat dry.

FIRM & ANTI WRINKLES

Prestigious Serum with Caviar & Hyaluronic Acid

This firming complex contains real caviar extract, which is rich in proteins that increase the elasticity of skin while toning and firming, Champagne extract and hyaluronic acid fight free radical damage & support cellular regeneration.

How to use it?

Apply few drops over neck / entire face massage until perfect penetration. Apply before day / night cream.

PROTECT

Prestigious Cream with Gold 24 carats, Caviar Pearl Extract and

This Anti Ageing Cream contains Gold, Oligo-elements, Caviar extract and Pearl powder, which are rich in proteins that increase the elasticity of skin while toning and firming, Hyaluronic Acid fights free radical damage and supports cellular regeneration.

The bleu&marine Prestigious Cream also fortifies your skin with topical applications of vitamin E which have been proven to be very effective in wrinkle repair.

REPAIR & HYDRATE

Fluide Nutritif Réparateur 2en1 Elixir Argan & Caviar

This precious Elixir (cream+serum), a rich protective and repairing care, is designed to be used as a day / night repair cream or as a weekly mask. Its glamour texture rapidly penetrates skin to regulate the skin's natural oil balance. Contains caviar extract, argan oil and french champagne. Caviar Extract is rich in vitamins A, D, B, trace elements as well as amino acids. These ingredients intensify the metabolism of the skin cells. Apply with soft massage.

REPAIR

Shimmering Gold Dry Moisturizing Oil

The natural way to a beautiful, glowing complexion. The regenerative action of three natural oils, jojoba, apricot kernel and sweet almond works in synergy with the protective and antioxidant action of caviar extract and vitamin E. Our luxurious, iridescent dry oil softens, moisturizes and makes skin look and feel comfortable with no sticky residue, which is especially appreciated in the summer. Gives skin an even bronzed look with a hint of shimmer and illuminates skin with a luminous veil of gold. Ideal to enhance the colour of your suntan by illuminating your skin.
